

## Castaway Cove: A Shelter Bay Novel

Theyve never met. But theyre destined for each other....Single dad Mac Culhane has traveled to some of the worlds most dangerous war zones, but now he and his young daughter have settled in Shelter Bay, where hes become the late-night DJ for the local radio station. The last thing he expects is to connect over the airwaves with a caller....After a painful divorce, Annie Shepherd opened up a scrapbook store in town and started volunteering with local senior citizens. Although she loves her work, dreams of the family she longs for keep her up late, listening to Mac Culhanes voice on the radio. When Mac and Annie finally meet in person, the attraction between them is instantaneous. But Annie isnt ready to lay her heart on the line, and neither is Mac. Fortunately, no one in Shelter Bay is about to let a perfect match escape the magic of true love....
