

Catena Aurea - Gospel of Mark - Enhanced Version

Catena Aurea, or Golden Chain, is a unique style of biblical commentary comprised of fragments from other existing commentaries. Aquinas Gospel of Matthew features the teachings of St. Augustine, St. Cyril of Alexandria, St. Ambrose, The Venerable St. Bede, and other Church Fathers. Chapter by chapter, Aquinas draws together the biblical reflections of these great historical figures to create a continuous commentary on the Book of Matthew. This eight volume set was commissioned by Pope Urban IV in hopes that it would bring the Church a deeper understand of the early Christian faith. Aquinas commentaries are excellent resources for biblical study because they contain a wealth of valuable references. Emmalon Davis CCEL Staff Writer This edition features an artistic cover, a new promotional introduction, an index of scripture references, links for scripture references to the appropriate passages, and a hierarchical table of contents which makes it possible to navigate to any part of the book with a minimum of page turns.
