Amazing Ocean Creatures For Kids Table of Contents Introduction Chapter 1 Mimic Octopus: Blue-striped Fangblenny: Ghost Pipefish: Leafy Sea Dragon: Chapter 2 Swordtail Characin: Pearl Fish: Coleman Shrimp: Black Marble Jawfish: Tasseled Anglerfish: Chapter 3 Conclusion Author Bio Publisher Introduction The sea, once it casts its spell, holds one in its net of wonder forever. ~Jacques Yves Cousteau The Ocean is full of amazing creatures in all shapes, sizes and colors! This large body of water is covered with life, but to survive some creatures need to be very smart. And they need to know how to hide or pretend really well. In this book, we will talk about a few creatures who really know how to vanish in plain sight! Are you ready to get started? Then review the names of these amazing creatures before we begin: 1-Mimic Octopus 2-Blue Striped Fang Blenny 3-Ghost Pipefish 4-Cockatoo Wasp fish 5-Leafy Sea Dragon 6-Swordtail Characin 7-Pearl fish 8-Coleman Shrimp 9-Black Marble Jaw Fish 10-Tasseled Anglerfish Do you know any of these creatures and what makes them unique? Its their ability to blend in with their surroundings. For example, some of them change their colors to look like something completely different. Others hide in funny places and some even change their body shape to look like something else! Can you do that? These Ocean creatures can teach us a lot about making the best of any situation and learning how to adapt. Another word for this practice is called: Camouflage. Do you know what this word means? Kids.Net.Au describes this word like this: the act of concealing the identity of something by modifying its appearance; Remember: Every creature on the planet can teach us something new. So take a moment to learn about the real masters of disguise!
