

Flesh Wars 2: Return of the Serpent Fire (Flesh Wars #2)

Robert W. Walker, author of more than forty novels, is back to deliver the gruesome goods in this over-the-top horror extravaganza. Two Americans chase a disease-spreading monster throughout India, leaving death and mutilation in its wake. But the ancient beast has even bigger appetites, and sets its sights on America, intent of controlling the leader of the free world. Can Detective Eric Brannon and Dr. Angelica Hunter stop it before it enslaves the human race? Or while the world succumb to a revolting orgy of sex and violence? (This is a sequel to the cult classic THE SERPENT FIRE. Approximately 100,000 words. With a special cameo by Dr. Jessica Coran from Walkers INSTINCT series.) Also contains an excerpt from ABADDON by Robert W. Walker and ORIGIN by J.A. Konrath
