

Ellipsis: A John Marshall Tanner Novel

In the latest installment in his acclaimed series, award-winning crime novelist Stephen Greenleaf delivers the sexiest, fastest story to date in the life of San Francisco P.I. Marsh Tanner. Author Chandelier Wells is scared. Someone is sending her notes that read: If you dont stop it you will die. Stop what? Chandelier doesnt know, or shes not telling. Its the kind of case Tanner doesnt usually accept: bodyguard to an alluring, world-famous writer. But this time he cant say no. Chandelier knows people who mean a lot to him and when a car bomb comes too close for comfort, the chase is officially on and the suspects are many. Theres the jealous writer who accuses Chandelier of plagiarism, the real estate mogul she rejected, and, of course, her ex-husband. Tanner must negotiate the complex turns of Chandeliers life to find the answer. Along the way, Tanner explores his own relationships, unaware that his life is about to take a dramatic turn.
