

John Calvins Commentaries On Joel, Amos, Obadiah

Calvin produced commentaries on most of the books of the Bible. His commentaries cover the larger part of the Old Testament, and all of the new excepting Second and Third John and the Apocalypse. His commentaries and lectures stand in the front rank of Biblical interpretation. This volume contains the Writings of three Prophets. Joel exercised his office among the Jews; Amos, though a native of Judea, was yet appointed a Prophet of The Ten Tribes; and OBADIAHS prophecy refers only to Edom.
