

Girls Will be Girls Box set: Lesbian Stories

This box set contains two stories. Jessie is a girl who left town years before after the death of her father. Now she is being called home because her mother is sick. The last person she expects to run into is the woman she left years before. The attraction is still there but Jessie makes it clear that she is not there to stay. Stacy decides to get up the nerve to go to her first BDSM nightclub with her best friend Jackson. She thought the whole thing was a mistake until she spends one night with Roxy the sexy bartender who sends her spiraling.
