

Handbook of Structured Experiences for Human Relations Training (Volume Set of 10 With Reference Guide)

Jossey-Bass/Pfeiffer is actively engaged in publishing insightful human resource development (HRD) materials. The organization has earned an international reputation as the leading source of practical resources that are immediately useful to today's consultants, trainers, facilitators, and managers in a variety of industries. All materials are designed by practicing professionals who are continually experimenting with new techniques. Thus, readers and users benefit from the fresh and thoughtful approach that underlies Jossey-Bass/Pfeiffer's experientially-based materials, books, workbooks, instruments, and other learning resources and programs. This broad range of products is designed to help human resource practitioners increase individual, group, and organizational effectiveness and provide a variety of training and intervention technologies as well as background in the field.
