

The Monument 14 Trilogy: Monument 14, Sky on Fire, and Savage Drift (Monument 14 Series)

Fourteen kids from Monument, Colorado find themselves trapped in a superstore. Outside, violent storms rage and a dangerous chemical leaks into the atmosphere, killing some and changing others into something not quite human. The kids must band together if they want to live. But it won't be easy, and there's no telling what kind of world they'll be left with. Emmy Laybourne's Monument 14 trilogy is an action-adventure thrill ride that will have readers' hearts racing. Includes all three books in the series, Monument 14, Sky on Fire, and Savage Drift. A tense, claustrophobic, and fast-paced thriller. Publishers Weekly, starred review
