

Season of Desire: Complete edition, Seasons series Book 1

A story of passion, desire and fierce emotion, the first in the new Seasons trilogy is the must-read for all fans of Sadie Matthews After Dark series, and will win her legions of new ones. Freya Hammond is used to people fulfilling her every whim. Wealthy and spoiled, she lives a butterfly existence of fashion and parties and is accustomed to getting her own way. Which is why the new bodyguard is riling her. Miles Murray is ex-SAS and obeys her instructions with barely repressed scorn. She can sense that he doesn't think much of her. The Hammonds have been staying at their luxurious retreat high in the Alps. Now Miles is driving Freya to the airport but the rapidly worsening weather and a near-miss with a dangerously driven jeep causes him to lose control, and sends the car plummeting off the side of the mountain. When Freya comes to, she is lying on the freezing ground, Miles beside her. The car is a mangled mess far below them. Now Freya needs Miles to save her life. Using all his survival skills, Miles manages to locate an old shepherd's hut and get them both there despite Freya's twisted ankle. Rescue will surely come before too long... but until then Freya is no longer in control. The tension between them is soon at fever pitch as she tries to dominate a man who no longer obeys her orders. And when rescue does come, how will they return to their old life of mistress and bodyguard after what has happened between them?
