

Somewhere Behind The Eyes: Hocus Focus Aha!

47 Fun-To-Find SURPRISE PICTURES Dare to think for yourself! This educational ambiguous art collection teaches how to think differently in non-routine ways by using visual art puzzles. An invaluable image collection to stimulate the imagination and to expand the awareness of all who view them. Such ambiguous figures are some of the most instructive and interesting materials in the field of perceptual psychology that have been proposed so far. -Professor Robert W. Leeper University of Oregon, Eugene. By taking The Hocus Focus Aha! Test, you'll learn how to think differently perhaps, and you'll have a whole repertoire of tricks sure to dazzle friends and family alike
