

## The Bad Son (Suddenly a Parent Book 4)

Beau McCain has become a successful lawyer, held the family together, mended fences and watched while others found love. Now it's his turn. Or it would have been if Beau had managed to show Macy Randall that he wasn't just a substitute brother, that he could be what she needed to be the man for her. But somewhere in the terrible breakup of her first marriage was the reason she refused to try again. Yet just as Beau has reconciled himself to a life apart, an abandoned baby unexpectedly brings him and Macy together, pitching them both into a dramatic custody battle reminding everyone that when something is very precious, it deserves a new start.
