

## The Billionaire Bodyguard

When model Keri was stranded with dark, brooding bodyguard Jay Linur, it was clear they were from different worlds. But opposites attract and she impulsively abandoned the fashion catwalk for a walk on the wild side. The passion that followed blew her mind. Back in reality, Keri discovered that Jay was more than he seemed: not only did he have brawn, but he also had brains and billions! And though marriage was the last thing on Jay's mind, Keri found she couldn't walk away from him knowing that in bed, at least, Jay dropped his tough-guy guard and let his passion take control.
