Lennox used to live in a paradise on earth with his best friend, Jamie, in a place where visitors came and went, allowing their desires to run free. But everything changes when a deadly attack forces them to take up with Connor Mackenzies band of Outlaws. Lennox knows that Jamie is hung up on someone else, but hes always believed that hes the man for her-and he wont let her go without a fight. Even though Jamie is well aware that Lennox is one hot specimen of a man, she refuses to let sex ruin the most important relationship in her life. But when the object of her interest spurns her, she indulges in a little pleasure-filled revenge with her very magnetic, very willing best friend. One thrilling night with Lennox is enough to awaken Jamies unexpected desires for him. And now that shes had a taste, shes not sure she can ever give him up . . .
