

## The Sinful Art of Revenge (Mills & Boon Modern)

Taking what is rightfully his Endless tabloid coverage has left Reiko Kagawa with way too much information about art dealer Damion Fortiers legendary playboy exploits its well reported that he leaves a wake of broken hearts across Europes most glamorous destinations!Reiko knows she has two things Damion wants: the first a priceless painting and Fortier heirloom. The second her seriously off-limits body! And she has no intention of giving him access to either. Damion isnt used to beautiful women scorning his advances, so its definitely time to turn his lethal charm up one last notch to ensure he gets exactly he wantsAfter reading her debut, this was simply a must-read. It did not disappoint, the depth of Mayas characters is astounding. A captivating read! Jennifer, 67, Halifax
