All Chris really wants is to be a normal kid, to hang out with his friends, avoid his parents, and get a date with Rebecca Schwartz. Unfortunately, Chris appears to be turning into a vampire. So while his hometown performs an ancient ritual that keeps Tchmuchgar, the Vampire Lord, locked in another world, Chris desperately tries to save himself from his own vampiric fate. He needs help, but whom can he trust? A savagely funny tale of terror, teen angst, suspense, and satire from celebrated FEED author M. T. Anderson.
